KLAMATH FALLS, OREGON, MONDAY, NOVEMBER 13, 1922.

OFFICIAL PAPER OF
KLAMATH COUNTY AND
OF KLAMATH FALLS

PRICE FIVE CENTS

BRADBURY HAS OVERTURE BEAT FOR 3RD PLACE

Klamath County Will Send Two Representatives to State Legislature

With R. E. Bradbury leading H. J. Overturf for election as representative in the state legislature for the 21st district, Klamath county, it seems virtually certain, has two representatives. Official returns from Lake, Klamath and Jefferson, and complete unofficial from Crook, and Deschutes today are:

Ezell	4799
Burdick	4444
Bradbury	3656
Overturf	3614
Gard	3239

Like J. M. Ezell, R. E. Bradbury is a farmer. His farm is on Lost River about ten miles from this city. He came to Klamath county in 1907 as manager of the Altamont ranch, but after a residence of one year moved with Mrs. Bradbury and family to Portland, where he was engaged in construction work and as a millwright by the Inman-Poulson Lumber company. Returning to Klamath county in 1911, he purchased the farm where he now resides. He was born in Portland 42 years ago.

Bradbury said he appreciated the support given him in the election, and that he will endeavor to represent all of the people of the district. He stands unpledged to any person or program, he said, until such time as he can confer with the people in the several counties of this district.

Would Revise Tax Laws

He says he is deeply interested in the tax question and believes that the present tax laws should be revised and amended, and advocates segregation of district and municipal taxes for collection, retaining tax liens, but permitting payment of one or more levies. He advocates an amendment to extend the redemption period from the present three year period to five years, with reduction of penalty and interest charges.

PORTLAND, Nov. 13.—Returns today on contested circuit judges, state senators and members of the legislature showed the following results:

- First judicial district—C. M. Thomas elected.
- Fifth judicial district—J. V. Campbell elected.
- Ninth judicial district—Dalton Riggs elected.
- Thirteenth judicial district—A. L. Leavitt elected.
- Eighteenth judicial district—T. E. J. Duffy elected.
- Second senatorial district—S. M. Garland (Dem.) elected.
- Fourth senatorial district—Fred Fisk (Dem.) elected.
- Sixth senatorial district—N. W. Borden (Dem.) elected.
- Tenth senatorial district—Peter Zimmerman (Rep.) elected.
- Nineteenth senatorial district—H. J. Taylor (Dem.) elected.
- Twentieth senatorial district—R. W. Rittner (Rep.-Dem.) elected.
- Second representative district—A. K. McMahan (Dem.) and S. H. Goin (Dem.) elected.
- Third representative district—H. C. Wheeler (Rep.), D. F. Keenny (Rep.), E. F. Dalley (Dem.) elected.
- Fourth representative district—J. M. Thorne (Rep.), D. S. Beals (Rep.) elected.
- Fifth representative district—T. T. Bennett (Rep.-Dem.) elected.
- Eighth representative district—R. P. Cowgill (Rep.), J. H. Carlin (Rep.) elected.
- Eleventh representative district—D. E. Fletcher (Rep.) elected.
- Thirteenth representative district—Ed Gary (Rep.), Arthur D. McPhillips (Dem.) elected.
- Fourteenth representative district—B. F. Jones (Rep.) elected.
- Fifteenth representative district—L. M. Graham (Rep.), L. M. Hensco (Rep.), Edward Schulerich (Rep.) elected.

CALIFORNIA WINS FROM WASHINGTON IN FAST CONTEST

Huskies' Lead in Second Quarter Soon Cut Down; Oregon Defeats W. S. C. in Bitter Struggle

FOOTBALL RESULTS

- California 45, Wash. 7.
- Oregon 13, W. S. C. 0.
- Multnomah 6, Olympic 20.
- Princeton 20, Harvard 9.
- Yale 45, Maryland 4.
- Army 9, Notre Dame 9.
- Penn State 19, Carnegie 9.
- Illinois 5, Wisconsin 0.
- Nebraska 28, Kansas 9.
- Bowdoin 13, Tufts 12.
- New Hampshire 7, Maine 14.
- Cornell 13, Dartmouth 9.
- Iowa 28, Minnesota 14.
- Chicago 14, Ohio State 9.
- U. S. C. 6, Stanford 6.

SEATTLE, Nov. 13.—Playing before a crowd of nearly 40,000 fans, the University of California football eleven made it three straight in three years from the University of Washington, humbling the northerners by a 45 to 7 score.

The Huskies looked almost a match for the Bears in the first two periods, threatening the California goal twice in the first and crossing it once in the second, but after that the southerners had it all their own way, and they made the most of it. The ball was in Washington territory most of the last half, and the California goal was never threatened.

California scored just before the end of the first period, Morrison plunging over after a series of line smashes that could not be stopped. A few moments later Washington took the lead with a touchdown and converted territory for goal, the score coming after a series of forward passes that seemed to take the Californians unawares.

Washington In Lead

The score was the beginning of the end for Washington. Nichols and Morrison, California backs, made touchdowns in quick succession, and the half ended with the score 19 to 7 in favor of the Bears. Three more California touchdowns came in the third, and another in the fourth period, the latter after Andy Smith, Bear coach, had sent in almost an entire team of substitutes. The Huskies braced as the end of the frame neared, and prevented another California marker, but were unable to take the offensive.

The fans got their first real thrill of the game in the first period, when Ziel, slippery Husky halfback, twisted his way for 50 yards. A moment later Nichols of California dropped Ziel's punt on the California two yard line and Hall of Washington recovered. It looked like a Washington score, but Harper fumbled a pass and Muller recovered for the Bears. The ball was soon out of danger.

Poke Criss-Cross Gains

The California fake criss-cross play that failed to gain against University of Southern California earlier in the season, was the nemesis of Washington hopes. Time and again the California backs got through for long gains and the Husky defense seemed unable to fathom the play. The broken field running of Don Nichols, the accurate punting of Morrison and the heavy plunges of the Bear backfield, were the other angles to the story of the Purple and Gold defeat.

The Californians made first downs 17 times as compared to five by Washington, and gained 352 yards on line plays and end runs to the 28 yards gained by Washington. Forward passes netted the Bears 105 yards while Washington, on five perfect passes, made a total of 76 yards. Ziel, Washington punter, averaged 35 yards while Morrison of California got his long spiral punts put away for an average of 38.

OREGON WINS FROM WASHINGTON STATE, 13-0

EUGENE, Ore., Nov. 13.—Oregon defeated the Cougars in a hard-fought bitterly contested game Saturday afternoon. Aside from the first quarter the Oregon eleven outclassed their opponents, and steadily the Lemon Yellow backs gained through the Washington State college line. In the final period, with but two minutes to go, the Staters started forward passing, but completed but one pass for eight yards. Finals: Oregon 13, W. S. C. 0.

"DRY" MEASURE IS PASSED BY CALIFORNIANS

18th Amendment Approved After 10 Years Voting Against Prohibition

SAN FRANCISCO, Cal., Nov. 13.—California, the leading wine grape growing state in the Union and which once had hopes of competing with the champagne of France and the Rhine wines of Germany, has at last gone dry, after ten years of voting down prohibition measures.

A majority of 33,181 in favor of making the 18th amendment to the constitution of the United States and the Volstead act statute law of California stands today, with only scattering precincts from various parts of the state to be heard from, so that there appeared no possibility of the final total being against the enforcement of prohibition.

The vote today from 6172 precincts out of 6681 was: For enforcement 421,661 against 388,481.

A big majority against the measure at first appeared to have been cast in Tuesday's election, but this margin has been steadily cut down until an error of about 24,000 votes was discovered in the office of the county clerk of Alameda county, which reduced the anti prohibition lead in that county to 2242. Almost simultaneously other errors were discovered in the office of the registrar of Los Angeles county which served to increase the favorable majority there and this, with late additions to the Los Angeles totals reversed the situation.

JUNIOR ELKS MEET

First Initiation Will Be Held at Temple Tomorrow Night

The first initiation of Junior Elks will be held at the Elks temple tomorrow night. It will be in charge of the big brothers and every boy who has his application blank is requested to be present.

Between 50 and 60 boys will be initiated. The work will follow the regular lodge ritual. Membership in the junior lodge will confer several privileges, including use of the gymnasium and dance hall.

A relay race for the Junior Elks, with as many teams in the race as it is possible to organize, is being planned for Thanksgiving day. The distance will probably be from the Elks temple to the White Pelican hotel and return.

RAILROADS TO DEVELOP STATE ASKED IN PLEA

Complaint Filed With I. C. C. by Oregon Public Service Commission

JAPANESE ARE NOT ELIGIBLE TO U. S. CITIZENSHIP, EDICT

Decision Handed Down by Supreme Court: "White Person" Held One of Caucasian Race

WASHINGTON, D. C., Nov. 13.—Japanese are not eligible for naturalization in the United States, the supreme court held today.

The court decided two cases, one from Hawaii and one from Washington state. In the Washington case two Japanese, Takaji Yamashita and Charles Hiohoke, had been naturalized by the state court, but the secretary of state refused to incorporate their real estate firm on the ground that their naturalization was illegal. The question turned largely upon whether section 2169 of the revised statutes, restricting naturalization to "free white persons" and those of African descent, was still in force.

Follow Precedent
The supreme court in the decision said in part:

"Federal and state courts, in an almost broken line, have held that the words 'white person' were meant to indicate only a person of what is popularly known as the Caucasian race. With conclusion reached in these several decisions we see no reason to differ. Moreover, that conclusion has become so well established by judicial and executive concurrence and legislative acquiescence that we should not at this late day feel at liberty to disturb it, in absence of reasons far more cogent than any that have been suggested."

FIRST COLD WEATHER

PORTLAND, Nov. 13.—The second heavy frost of the season hit here this morning. The official minimum temperature was 34. Freezing was reported unofficially in some sections of the state.

HIGH SCHOOL TEAM BATTLES THROUGH MUD TO VICTORY

All-Stars Defeated, 8 to 0; Students Play Best Game of Season Despite Field Conditions

Rolling and wading through inches of soft, clinging mud, the high school gridiron eleven on Modoc field Saturday nosed out an 8 to 0 victory over the All-Stars in what was generally declared the best game here this season.

With Coach Nash at the head of the high school aggregation, the team showed real form, being aggressor during a large part of the time, although the bad condition of the field prevented fast work and probably held down the score. Although outclassed by the students, the All-Stars rallied in the second quarter and gave their opponents many anxious moments as they drove through repeatedly for substantial gains.

Play Aerial Game

If the aerial skill displayed by the high school in the last half had developed in other games this season the season's record might have been better, in the opinion of some football fans.

Lacking in team-work because of lack of practice, the All-Stars were supported by a few individual players who displayed football talent. With continued practice it would be possible to develop a city team which would give the high school strong opposition, and thus aid in building up the latter team as well as afford an excellent attraction, was the expression often heard at the game.

For the high school, Grove, Hogue, Dow, Peyton and Coach Nash played good football. Farish was the All-Stars mainstay, although several others played an excellent game.

First Quarter

Nash kicked off for the high school, and the locals soon lost the ball on downs. The high school then started its march up the field by long end runs. As a result of a long run by Nash the ball was brought to the five yard line at the end of the first quarter.

Second Quarter

After three successive and strongly contested downs the high school scored a touchdown. Nash failed at try for point. The All-Stars kicked off but soon obtained the ball on downs. They then played their best football of the game, nearly getting within scoring distance towards the last of the half.

Third Quarter

Although the high school was the aggressors all the way through this quarter they failed to score.

Fourth Quarter

In this quarter the high school eleven showed real form in their passing game. After two successful forward passes which netted about 30 yards, Nash took the ball over for a touchdown but dropped the ball and an All-Star player fell on it, thus scoring a touchdown for the high school, or 2 points.

In the last half of the quarter an All-Star player intercepted a pass over the goal and prevented another touchdown for the high school eleven.

The High Players were:

Coach Nash, Frank Peyton, r.h., Charles Grove, l.h., Pete Mosenbacher, f.b., Clifford Hogue, r.e., George Dow, l.e., Albert Moorland, r.t., Harry Peltz, l.t., William Clark, r.g., Ralph Turner, l.g., Bruce Jeffers, c. Subs: Homer Garich, Rollin Cantrell, Lloyd Bunnell and Kenneth Maler.

3 HURT, AUTO WRECK

Car Turns Over on Merrill Road; Man Gets Broken Arm

One man and two women, Walter Ends, of this city, Mrs. Lois Ray of Fort Klamath, and Mrs. Ethel Vierey, 116 Third street, are in a local hospital today as a result of an automobile accident on the Merrill road just below the Altamont ranch yesterday afternoon. It is reported that the accident was the result of too fast driving in a light machine. The car was being driven at about 40 miles an hour, according to one of the occupants, and in turning a sharp curve in the road turned over twice before coming to rest on its side some distance beyond.

Ends, who is suffering from a broken arm and several bad bruises has the most serious injuries, the two women having no broken bones, but are bruised about the face and shoulders.

I. C. C. HEARING IS MAGNET FOR ALL INTERESTS

S. P., U. P. and Chamber of Commerce Will Be Represented Nov. 21st

Klamath county will have representatives of all local interests in the Southern Pacific-Central Pacific unmerger controversy at the interstate commerce commission hearing in Washington on November 21, it now appears.

Wm. Marx and J. H. Carnahan, said to represent the Union Pacific, left today for Washington. M. S. West, representing the chamber of commerce, will leave Tuesday. Southern Pacific representatives will also go from here, it is understood.

Decision Made Today

Decision to have a representative of the chamber at the hearing was made at a special meeting of the directors this morning, after it was determined that there would be no hearings on the Pacific coast by the interstate commerce commission on the railroad matter.

West will carry with him statistics on the present and potential tonnage in Klamath county and the possible development of the agricultural section adjacent to the present survey of the Modoc Northern.

The object of his attendance at the hearing is to bring forth the attention of the interstate commerce commission the necessity of the completion of the Western Klamath Falls line and the building of the Natron cut-off. Senator Chas. L. McNary, councillor for the Klamath County chamber of commerce at Washington, will be asked to assist West in getting an audience with the commission.

Will Seek Settlers

Another feature of the trip will be a conference with the Honorable Mark Peter, Switzerland's representative to the United States, on the land settlement program of the chamber. The chamber has had some correspondence with the Swiss legation with reference to locating a Swiss colony that might consider taking over some of the surplus lands of Klamath county for settlement for dairy purposes. It is hoped that a special conference will result in something definite along land settlement lines.

An effort to have the interstate commerce commission make an early decision on the freight rate conference held in Klamath Falls and San Francisco more than a year ago, and which it is hoped will result in a readjustment of the rates, will also be made. In this connection Oregon's representatives in Washington will be asked to petition the commission to have this decision made at the earliest possible moment.

Shippers Will Be Represented

The allied shippers of California, said to represent approximately 90 per cent of the railroad tonnage in California and other western states, will also be represented at the hearing, according to a telegram received Saturday by the local chamber, and part of West's expenses will be met by the California shippers, which is making it possible for the local chamber to have a representative present.

Should the Reno and Los Angeles chambers of commerce be represented in Washington, West stated, he would attempt to get their assistance behind a program to have the Modoc Northern completed, and to which program both are pledged in a letter to the railroad committee written several weeks ago.

MARKET REPORT

PORTLAND, Nov. 13.—Cattle steady. Hogs steady, except astrays top 10 cents higher, prime light \$9.25 to \$9.55. Sheep steady, eggs strong, butter steady. Wheat \$1.35 to \$1.38.
